MAY/JUNE 2007

From our Director: **Claudia J. Curry**

Spring is now upon us and I can't help wondering where the time has gone. It seems like only yesterday that I came to the Altadena Senior Center. In reality it is going on two years since I arrived. Over the last two years we have endeavored to make our Center more people friendly, and we truly have succeeded. Old members are coming back and we continually sign up new members. It has been a wonderful two years and I wish to thank each of you for your support and participation. Keep up the good work.

Our Annual Spring Festival exceeded all of our expectations. Everyone enjoyed the music of KEITH WILLIAMS AND THE SECOND TIME AROUND BAND. Don't tell me Seniors don't know how to have a great time. The food and the ambiance were wonderful as always. It would not have been possible without each of you.

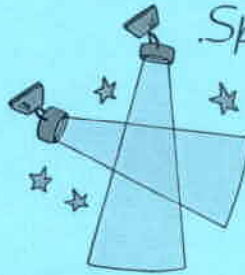

Beginning Wednesday, June 6, 2007, and every Wednesday thereafter, between the hours of 9 am to Noon and 1:30 to 3:30 pm, Mr. Roosevelt Short will be hosting our new Public Internet Access Program. Thanks to the Friends of the Center, we have new computers in our Computer Lab that are equipped with Internet access. You must present your Center ID. All computer use is on a first-come-first-served basis.

To all our Fitness Center Members: we have heard your requests, effective May 1, 2007, we are extending the hours for the Fitness Center to 4:30 pm; the new hours will be 8 am to 4:30 pm, until further notice.

Just to leave you with a few words of wisdom "The past is the foundation for the present, which is under construction, for a future filled with hope."

*In the end,
it's not the years in your life that count,
it's the life in your years.*
